The RAG-X one piece construction provides a significantly improved appearance compared to traditional grilles. It is simpler and easier to fit and reduces installation time.

FEATURES INCLUDE:

- Tri Filter for efficient dust removal.
- High Efficiency Low Static Filter.
- Black filter to reduce see through effect.
- Easy filter and grille removal for cleaning or replacement.
- Large free area for quiet efficient air flow.
- Aluminium Filter Frame.
- Grille release clips are hidden from view but are still instantly accessible.
- Grille opening can be reversed for ease of use.
- Attractive Eggcrate grille design.
- Rigid return air box.
- Simple clip in installation.
- Clip on reducers easily accomodate varying duct sizes.

NOW AVAILABLE IN THREE SIZES:

FACE SIZE (mm)	NECK SIZE (mm)	HEIGHT WITHOUT ADAPTOR (mm)	GRILLE OPENING AREA m ²
806 x 506	750 x 450	170	0.24
956 x 556	900 x 500	170	0.34
1195 x 595	1139 x 539	170	0.48

900 x 500 & 1195 x 595mm

750 x 450mm

The RAG-X from Polyaire is an injection moulded high strength plastic complete Return Air assembly designed for more efficient installation, operation and maintenance.

INSTALLATION FEATURES:

- 750 x 450/1 x 400mm Round Connector.
- 900 x 500/2 x 400mm Round Connector.
- 1195 x 595/2 x 400mm Round Connector.
- Rigid one piece shell for easy fitment.
- Quick & easy duct attachment with standard Quick Fix Spigot or Reducer. (Fit the Duct to the collar and then clip on in the roof).
- Easy attachment to ceiling with wing nut adjustment (No tools needed).
- Sturdy metal wire clips for long life and no sagging.
- Filter Grille fits either way & swings out for easy cleaning.
- Front Grille Clips are positive locking & easy to use.
- Large free area.
- Simple slide in/out filter.
- More air flow efficient egg crate grille style.

CONSTRUCTION:

- One piece moulded return air box for strength, no leaks, low noise.
- All plastic for long life, low noise and corrosion/rust resistance.
- Reversible grille for easy use.
- Removable Tri Filter.
- Aluminium frame filter.
